Here's what we need to get your new Business Savings account open for you

Step 1

Take a good quality photocopy of either your:

- UK driving licence; or

- EU member State National ID card.

Then attach the photocopy to this form.

Step 2

Ask a professional person to complete the section at the bottom of this form to certify that the ID photocopy you're providing is a true copy. Please remember to take your original ID along too, as whoever is certifying your ID photocopy will need to compare the two.

- A bank or post office worker; or
- A mortgage broker who is Financial Conduct Authority registered; or
