How do I open and manage my account? (continued)

You can open this account:

- Online by visiting nationwidecommercial.co.uk/savings.
- By requesting an application to be sent via post or email using the contact details via the above website.
- You'll need at least £5,000 to open your account.
- You can open several Business Saver Fixed Rate Accounts as long as your balance in the account does not exceed £10,000,000.

Please note: You have 14 days from the date we open your account to pay money into it. From day 15, you can't make any more payments in, and if at this point no money has been paid in, your account will be closed. If you try and pay money into your account from day 15 onwards, the payment will be rejected. Any rejected payments will be returned to the account the transfer was made from. You can't make any withdrawals or close the account during its fixed rate term.

We may withdraw the offer at any time prior to your account being opened. This could be after your application has been submitted.

You can manage your account:

- By Post, Fax or signed PDF instruction attached to an email.

Can I withdraw money?

No, withdrawals and further deposits are not allowed for the duration of the term of the account.

What happens on maturity of the account?

You will receive an options form to provide instruction of what you wish to do upon maturity (withdraw to your nominated account or save in another Business Saver account).

If we don't hear from you when your Business Saver Fixed Rate account matures your account will be moved into a Maturity Reserve Account until we receive your instruction. We will contact you with more information before your account matures.
